

PUBLIC NOTICE

**Public Notice
Antidegradation Alternatives
Analysis for Pine Lake Corn
Processors,
Steamboat Rock, Iowa**

Notice Date: May 18, 2022

Notice is hereby given that Pine Lake Corn Processors, Steamboat Rock, Iowa has completed a draft antidegradation alternatives analysis for discharge of non-contact cooling water via tile line to an unnamed creek, then to South Beaver Creek. The action being considered is a change in the water treatment chemical supplier. The unnamed creek is designated as a general use stream until the 160 th Street Bridge, where it becomes designated as a B(WW-2) with no recreational use.

Anyone wishing to comment on the proposed treatment alternative must do so in writing within 30 days of the date shown at the top of this notice. Comments may be submitted to:

Short Elliott Hendrickson, Inc.
Benjamin Klaus
5414 NW 88 th Street, Suite 140
Johnston, IA 50131
515.608.6000
bklaus@sehinc.com

Copies of this notice and the draft antidegradation alternatives analysis are on file and available for public inspection from 8:00 AM to 4:30 PM Monday through Friday at the above address by appointment only. Copies of this information may be requested by contacting:

Short Elliott Hendrickson, Inc.
Benjamin Klaus
5414 NW 88 th Street, Suite 140
Johnston, IA 50131
515.608.6000
bklaus@sehinc.com

Pine Lake Corn Processors will submit a summary of comments received and the facility's responses to the Iowa Department of Natural Resources with the final alternatives analysis subject to IDNR review and approval.
