PUBLIC NOTICE Audit Report on the City of Eldora

NEWS RELEASE

Cornwell, Frideres, Maher & Associates, P.L.C., CPA's recently released an audit report on the City of Eldora, Iowa, Financial Highlights:

The City's receipts totaled \$8,275,627 for the year ended June 30, 2022, a 63% increase from the prior year. The increase in receipts is due primarily to issuance of GO bonds. The increase in disbursements is primarily due purchase of meters and an ambulance

Audit Findings: Cornwell, Frideres, Maher & Associates. P.L.C. reported eight findings related to the receipt and disbursements of taxpayer funds. They are found on pages 59-64 of this report. The findings address

issues such as a lack of segrega-

tion of duties, several budgeted functions overspent, exceeding the depository resolution and review of transactions in separate checking accounts. Cornwell. Frideres. Maher & Associates, P.L.C. provided the City with recommendations to address each of the findings

The City Council has a fiduciary responsibility to provide oversight of the City's operations and financial transactions. Oversight is typically defined as the "watchful and re-sponsible care" a governing body exercises in its fiduciary capacity. A copy of the audit report is available for review in the City Clerk's Office, in the Office of Auditor of State and on the Auditor of State's web site at https://auditor.iowa.gov/ audit-reports.
