They will not be having Halloween but will have Holiday events. Greenbelt Bank & Trust dropped off a number of new books for the library. We added the books that we did not have in our collection and the rest we are keeping for prizes. Thank you notes have been sent out to the 3 organization that have given us donations. The Friends received the money for the dehumidifier for the basement. The basement stabilizing has been completed. The Lexan screen was delivered and is in place. The State Library of Iowa delivered a tub of PPE and a different notice has been put up concerning Covid-19 precautions. The Library is still doing the food box and Melissa said it is filled by Greenbelt Home Care or residents in town.

Scott Williams, Fire Chief provided his written report but was not in attendance. Names were drawn for the prizes that the department had set for their fundraiser. Training on Oct. 15th and a couple other trainings are available in the county. At training times everyone is getting equipped with the smaller items each person needs. The sales rep from Danko will be fitting Nathan Johnson for a complete new uniform – courtesy of the Haunted House in Eldora. Request from three personnel to be removed from the department – Emily Schuneman, Ryan and Kari Rolphs. Those names may be taken off the insurance list. Received a bill from Danko for the load manager for the electrical on unit #652.

JJ Veld presented the public works report. Veld advised the boring company has been really clean, tracking their water usage and reseeding quickly. They did hit a water line and thank you to Kevin Pieters being my back up to help out with that issue. Update on the snow plow truck, getting closer to delivery from the seller. Doug Bleeker is going to take the asphalt pile after harvest along with the chunks of cement. Requested a change in our sewage sludge (drying beds need to be cleaned out this year) land application permit which will need to be approved by the DNR. Mayor Stearns advised we need to set a date for the annual budget meeting. All council agreed to Monday November 2nd at 6 pm.

Mayor Stearns advised it was approved at the last Council Meeting for misc signage replacement about town. Pricing was presented as a heads up for the cost on standard signs. A variety of signs require that we write our own language. Our street name signs are currently not ADA compliant so all street signs and brackets will need to be purchased eventually. We have more discovery to do on pricing for the street name signs and will likely replace the ones that are missing or broken first. Schurman asked Deputy Holmes if they write tickets for littering. Holmes advised yes under Iowa Code. Discussion was had on Engine Brake enforcement, sound and the new signs.

JJ Veld asked council if we can decorate for the holidays in the North entryway of the gymnasium with existing materials. Council agreed.
